Commissioners' Report

I. *Sidewalks.*

The following work has been done on sidewalks this past year:

1. Clearing sidewalks in spring.
2. Installing re-inforced concrete walk in gaps made by storms at Bass Beach.
3. Clearing grass from sidewalk along water front.
4. Construction of sidewalk along Lower Road from Fish Houses to Atlantic Avenue. The plank walk formerly used to cross the marsh was used as far as it lasted, or about half the distance. The remaining distance was completed with cement walk.

II. *Street Lights.*

This March the Town voted to include the District's lights in the present and future Town lighting contracts between May 1st and November 1st. We all thank the Town for this generous action.

III. *Hydrants.*

The hydrant service is the largest item in the District's expenses (\$900.00 yearly). The hydrants are tested every year by the Hampton Water Works Company.

IV. *Policing.*

The Town is at present taking entire responsibility for policing along the water front.

The District shared a portion of the Town's expense for extra police during the Sacco-Vanzetti agitation.

V. *Appointment of Third Commissioner.*

The District sustained a severe loss in the death last October of one of its Commissioners, James L. Bachelder.

To fill this vacancy (as provided in Section 10 of Chapter 57 of the Public Laws) the Commissioners duly appointed Mrs. Viola R. Bachelder. And to fill the further vacancy caused by her subsequent removal from town, the Commissioners have duly appointed Miss Marion Stott for the unexpired term.

VI. *District Tax Rate.*

The District's tax rate is now 20 cents on \$100.00 valuation.

WILLIAM P. FOWLER,
MARION STOTT,
DALTON BOYNTON.

Commissioners.

30 August, 1927.
